Complete Equestrian Scholarship Policies

Complete Equestrian strives to make the equestrian sports available and affordable to **all** participants whose application for assistance is accepted. Complete Equestrian fulfills this mission through the generosity of our donors and the administration of a scholarship program based on financial need. Our scholarship funds come in through our annual fundraising and are not guaranteed.

Scholarships provided are based upon financial **NEED**, on a first come, first served, basis until all scholarship monies are allocated and/or spent. New requests may be submitted at any time. Please allow 30 days for scholarships to be reviewed and considered. Renewal requests require a new application annually, beginning March 31st.

Complete Equestrian charges tuition either monthly or per session, depending on the program. Scholarships will be applied directly to these fees as a percentage discount.

Complete Equestrian Vaulters does not provide full (100%) scholarships for tuition. Every client must pay at least a minimal amount towards their tuition. All balances must be paid in full at the start of each month or session. For those who are interested, Complete Equestrian does offer opportunities to work off their tuition with assistance in barn chores, repairs and other opportunities. Please inquire about these options if you are interested.

All applicants must complete all sections of the application to be considered for a scholarship.

Scholarships may be revoked due to behavioral issues, missing 3 or more lessons in a month or session, or if incorrect information is provided in the scholarship application. In the case that Household Gross income changes during the year, the applicant must submit new income documents in a timely manner. This may increase or decrease the scholarship.

Complete Equestrian reserves the right to waive specific requirements on a case by case basis.
