ALL PROCEEDS BENEFIT 501(C)3 ORGANIZATION,
COMPLETE EQUESTRIAN VAULTERS

From the Desk of Coach Nicole

Thank you for joining us and celebrating our vaulters. 2021 has been a year of renewed hope and gratitude. We have celebrated the opportunity to return to a new kind of normal. Our programs have been able to open up with fewer restrictions. We have seen firsthand the joy that our program has been able to bring to those we reach.

Complete Equestrian has been a safe haven for youth to play with horses and their teammates in a clean and open-air environment. We have seen our students grow both physically stronger and emotionally stronger because of the interactions they have with their equine partners. Complete Equestrian is more than an equestrian facility, it is a place where youth can come to feel a sense of calm and safety in a chaotic and ever-changing world. We could not make these opportunities possible without the support of our community. For that, we are incredibly grateful for generous sponsors, like yourself, who give us the opportunity to serve others and make our community a better place.

As I look toward the upcoming year, I am both humbled and excited. I am humbled because we were able to teach and reach over 700 youth in 2021. Horses teach much more than horsemanship. They teach us how to be the best versions of ourselves. I am excited because of the new opportunities that sit in front of us today. Thank you for being a part of that journey. We pray that 2022 is truly a year of continued hope and gratitude for us all.

CHUNKY MONKEY

2002 13.2HH HAFLINGER CHESTNUT GELDING
