

Colorado fall and winter has many high and low temperatures that cannot be anticipated. Come prepared for anything. Your fall through winter vaulting bag should include:

- Water bottle
- Snack
- Hair Ties
- Bag (to put your jewelry in)
- Hat
- Gloves
- Snowpants (October-February)
- Tight jacket -first layer
- Hoodie- second layer
- Snow jacket
- Leggings (fleece lined 1-3 pair)
- Sweatpants (to go over leggings)
- Mud/Snow boots (for when they are not on the horse/barrel)
- Tennis Shoes (if the footing allows when not on the horse)
- Extra socks (1-3 pairs)
- Vaulting shoes

Please help your vaulters keep these items in their vaulting bag. It is not fun to feel cold at practices, and we want everyone to have a great experience!
